Directors' report for the year ended 31 March 2011

The company was incorporated in Scotland on 3 April 2001. The directors present their report and the financial statements of the company for the year ended 31 March 2011.

Principal activity

The principal activity and core business of the company continued to be the provision of ticket services for passenger transportation.

Directors

The directors who served during the year were:

K McAlpine (alternate)
W W Campbell
P Coupar
D B Stewart
J Elliot
S J Lockhart
A MacAulay
N Serafini
N Strachan (alternate)
K G MacFarlane (appointed 6 July 2010)
S Walker (resigned 6 July 2010)
C Mullen (alternate)
P Thomas (alternate)
S J Longair (appointed 6 July 2010)

Review of business

The net profit after providing for taxation amounted to £Nil (2010: £Nil).

The main objective of One-Ticket is to increase the use of public transport and achieve modal transfer from car use to public transport within the SESTRAN area.

For the reported year turnover of £1,255k was achieved (the years ended 31 March 2003, 2004, 2005, 2006, 2007, 2008, 2009 and 2010 reported turnover of £152k, £508k, £676k, £709k, £880k, £1,041k, £1,200k and £1,322k respectively).

Major employer bus to work schemes have ended, presently, following a recent ruling from HM Revenue and Customs. It is hoped these may be re-introduced albeit in a different format. The loss of this turnover has impacted on the business.

Dividends

The directors do not recommend the payment of a dividend for the year.

Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable laws and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. It is also their responsibility to safeguard the assets of the company and hence to take reasonable steps to prevent and detect fraud and other irregularities.

In accordance with company law, as the company's directors, we certify that:

- so far as we are aware, there is no relevant audit information of which the company's auditors are unaware; and
- as the directors of the company, we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Disclosure of information to auditors

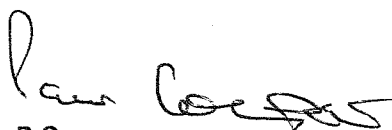

To the knowledge and belief of the directors, there is no relevant information that the company's auditors are not aware of, and the directors have taken all the steps necessary to ensure the directors are aware of any relevant information, and to establish that the company's auditors are aware of the information.

Auditors

The auditors, Scott-Moncrieff, are deemed to be reappointed under section 487(2) of the Companies Act 2006.

The above report has been prepared in accordance with the special provisions relating to small companies within part 15 of the Companies Act 2006.

This report was approved by the board on 29 June 2011 and signed on its behalf by:

P Coupar
Director

Independent auditors' report to the members of One-Ticket Limited

We have audited the financial statements of One-Ticket Limited for the year ended 31 March 2011 which comprise the profit and loss account, balance sheet and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors, including "APB Ethical Standard - Provisions Available for Small Entities (Revised)", in the circumstances set out in note 11 to the financial statements.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implication of our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2011 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1 Accounting policies

Going concern

In previous years all profits have been distributed to the operators. Surpluses on operations of £23,215 were made in 2010 and this was accrued as a distribution to operators. Surpluses on operations of £3,438 have been made in 2011 with this having been accrued as a distribution to operators. The directors consider One-Ticket Limited to be a going concern and therefore the financial statements have been prepared on the going concern basis.

Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with applicable accounting standards.

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement under applicable accounting standards.

Turnover

Turnover represents the value of goods and services supplied by the company, excluding value added tax. Turnover is recorded at the point of a ticket being sold and is recorded over the period to which it relates.

Deferred taxation

Deferred tax is provided in respect of the tax effect of all timing differences that have originated but not reversed at the balance sheet date.

2 Turnover

The turnover is attributable to the one principal activity of the company.

3 Operating loss

This is stated after charging:
